

Please join us at the
Maternal Health Network's
Bi-Annual Summit

Wednesday, January 29, 2025 • 9:00AM - 3:30PM
Rancho Cucamonga, CA

A multidisciplinary gathering focused on uniting perinatal providers for networking and collaboration to enhance support for birthing families in San Bernardino County.

The Summit will offer participants:

-  Networking opportunities and updates from member organizations
-  Support strategies, best practices, and lessons learned from a panel of experts who review cases of infant and maternal mortality
-  A group equity exercise to encourage collaboration and to identify resources for pregnant and parenting people experiencing housing insecurity/homelessness

This summit is FREE of cost and includes a continental breakfast and lunch.

4 Continuing Education Credits will be awarded.*
